## HAPPY NEW YEAR

Dear Pro-Life Supporter –

We pray you enjoyed a Merry Christmas and a wonderful holiday with family and friends. Again, we thank you for your continued support of our Pro-Life mission.

Amidst the passage of Amendment 79, we have two rays of hope for 2025. On the national level, the new administration is far more Pro-Life—a huge win! Early signs indicate rollbacks of many of Biden's pro-abortion initiatives. We could even gain another Pro-Life Supreme Court justice, an impact that would last decades.

On the local level, while we have one Planned Parenthood, we now have four pregnancy resource centers (PRC) in the Pikes Peak region! These PRCs offer various services for moms and dads, most importantly, ultrasound screening, which has an 85% success rate in convincing expectant moms to keep their babies.

Please join us on Jan 20 for the Rocky Mountain March For Life (see reverse side). Thank you!

Please consider joining us as a volunteer and/or financial supporter, and pray for an end to abortion.
